---

Enjoy a romantic dinner from the comfort of your own casita! A custom four course farm to table experience awaits you.

We are now happy to announce our ability to offer a special evening right here at the Casitas! No need to drive, you can enjoy your wine in the heart of the Central Coast Edna Valley region right here. With a minimum three day advance notice, we will schedule the services of Certified Executive Chef and caterer extraordinaire, Rochelle Harringer.

Rochelle has catered weddings here and now partners with us to offer special dinners, customized for you. Using locally sourced ingredients whenever possible, Rochelle can pair wines you bring for the occasion or have picked up at one of our local wineries. Read how you can treat that special someone to a romantic dinner here <http://casitasag.com/dining/intimate-dinners>
